MILAN MILIĆ

FRONT END DEVELOPER

PROFILE

Hello there!

I'm highly **SELF-MOTIVATED** and **team-player** web developer and always ready to expand my knowledge by learning.

My focus is on building web applications, front-end, and back-end development.

My MAIN and ONLY motto is: The Genius Is In The SIMPLE things.

REACT, VUE, GULP and NODE is my preferred tools for building web applications.

I have a few projects behind me that you can check out on my github account.
